

## **For Immediate Release**

The Dakota Junior Golf Association (DJGA) is excited to announce it's 2022 Summer Schedule! This season's schedule will feature over 20 event days, including for the first time, a Beginners Tour featuring evening events for players 12 and Under that are new to the game.

Also new for 2022 will be the Dakota Junior Championship, this final event will be held in Bismarck in August. The event is an invitation only event open to all players that finish in the Top 5 of any age group of a DJGA event, or any player state wide that finishes in the Top 5 of any local event. The Dakota Junior Championship will bring together the top players from across the state at the end of summer Championship Event!

Also added for 2022 will be the DJGA Girls Golf Team Camp, this one day event will be held Monday June 6 at Souris Valley in Minot. The event will be 18 holes and open to all Class A and B teams. This event will provide a great opportunity for Class B Players to play a competitive round at Souris prior to next fall's Class B State Tournament.

In addition to competitive events, DJGA also provides 10 weeks of lessons in the Bismarck-Mandan area for all youth. Registration for instruction is available at [bisparks.org](http://bisparks.org).

For up to date information on DJGA be sure to follow us on all social media.
